

DIVERSITY STEEL

A DIVISION OF  DIVERSITY
RESOURCES GROUP

ABOUT DIVERSITY STEEL

Diversity Steel is dedicated to being the leader in the concrete construction industry for the Southern United States. Our experienced trades people, project managers, jobsite superintendents, and office personnel work with architects, engineers, government inspectors, general contractors and building owners to complete projects on time and on budget.

With headquarters in Addison, TX, our company undertakes projects for clients throughout the Southern U.S., with main focus on Texas, Oklahoma, Arkansas and Louisiana. Our work ranges from multifamily developments, commercial facilities, industrial facilities, civil and specialty work for clients. We have batch plants that operate any hour of the day, 7 days a week, which enables us to exceed schedule deadlines.

ETHICS

We strive to be a trusted and valued community partner by improving the quality of life in the areas in which we live and work.

COMMITMENT

Our on-going commitment to Quality, Value and On-Time Delivery is evident in every project we take on. We do everything in our control to adhere to all commitments.

SAFETY

As a core value, we focus on keeping our clients and our employees safe. Our management support is a key element to our safety program implementation.
