

## CAPABILITY STATEMENT

**Diversity Resources Group LLC has teamed with RK Mission Critical to provide turnkey Off-Site Solutions**

 Diversity Resources Group LLC, (DRG) is the largest African American-owned modular company in the nation. Founded by Wayne T. Lawrence, the former co-founder of the highly successful Warrior Group. DRG is a nationally certified MBE and SBA approved small business providing turnkey modular building solutions for federal, state, and private entities throughout CONUS and OCONUS. Our team brings over 100 years of combined site and modular construction experience, specializing in design services, site construction services, project management, quality control, and safety for permanent and temporary modular facilities of all types and sizes utilizing wood or steel frame construction.

 RK Mission Critical, LLC (RKMC) a leading provider of fully customizable off-site manufacturing solutions for the mission critical, data, telecom, power and disaster relief markets. Together the companies provide a full range of On-site and Off-site modular construction and manufacturing support services ranging from the simplest single discipline prefabrication to the most complex fully integrated multi-disciplined multi-modular facility. DRG and RKMC have the ability to scale, deliver, and implement a full range of modular strategies.

The combined knowledge and experience of the DRG-RKMC team is unrivaled in the market today.
