

CAPABILITY STATEMENT

DRG-NABS BUILDERS, LLC

Diversity Resources Group LLC has teamed with North American Buildings, Inc. to provide turnkey Banking Solutions

Diversity Resources Group LLC (DRG), the largest African American-owned off-site construction firm teams with North American Buildings, Inc. (NABS), the largest Veteran-owned off-site and on-site financial institution builder to form **DRG-NABS Builders, LLC**.

DRG-NABS Builders, LLC, offers a wide range of custom products from single-unit temporary banks to large multi-unit/multi-story permanent banking facilities.

Facilities Completed in 49 States

National Distributor of Hamilton Equipment

Diversity Resources Group

 (DRG) is the largest African American-owned modular company in the nation. Founded by Wayne T. Lawrence, the former co-founder of the highly successful, Warrior Group, DRG is a nationally certified MBE and SBA approved small business that provides turnkey modular building solutions for federal, state, and private entities. Our team brings over 100 years of combined site and modular construction experience, specializing in design services, site construction services, project management, quality control, and safety for permanent and temporary modular facilities of all types and sizes utilizing wood or steel frame construction.

North American Buildings

 North American Buildings (NABS) led by Tommy Thompson is a Veteran-owned Design-build General Contractor and equipment dealer specializing in Financial facility construction. NABS has delivered financial facilities in all states except Hawaii and is the only modular bank builder in the country licensed to sell and install Hamilton equipment. NABS has over 150 years combined construction experience and has successfully delivered over 800 projects across the country utilizing modular/off-site or traditional site built construction. NABS employs a full drafting department, project coordination department, staff architects, business continuity and disaster recovery teams. Additionally, NABS has the largest fleet of temporary financial buildings in the United States which are used every day, keeping branches open and providing consumers access to critical financial services.
